1	Minutes	Minutes of 14 May 2006 were accepted.
2	Treasurer's	Don Queen presented a written report; it is available in the club
	Report	locker. He reported on emerging issues: charges by the Sims
		Center to replace a broken window, a monthly charge for the
		storage locker, and the cashing of the key deposit checks by the
		Sims Center.
3	Membership	Judith expressed her thanks for the hard work of Ari Cruse,
	1	who implemented a new membership database.
4	Administrative	Members should contact Richard Rockwell if they need a name
_	Items	badge or a club t-shirt.
5	Club	Ed Zeigler reported that the Website is up to date.
	Communications	20 20 300 Top of too unit the through is up to unit.
6	Anaheim	Gary Dougan will submit a written report on the actions of the
	Convention	IAGSDC delegates meeting. Gary will send the report to Ed
		Zeigler to post to the website. It was noted that the pictures
		have already been received and Jeff will facilitate distribution.
7	A & C Fly-in	Gary Dougan reported that the committee is still looking for a
,	A & C I Iy-III	hotel. John Foulds has offered to help with hotel negotiation.
		Steve Zink volunteered to serve on the committee.
		Steve Zink volunteered to serve on the committee.
		Jeff reported that the 2006 San Diego Fly-in has been
		cancelled. JW in Seattle is working to see if there is a way to
		salvage the weekend in another city (it was noted the callers
		have committed time for the flyin, but contracts hadn't been
		executed).
8	Upcoming	It was noted that it is necessary to have a volunteer to replace
0	Dances	Gary Dougan in the role of booking callers for club dances.
	Dances	_ , , ,
		After serving the club for many years, he is stepping down. He
		would like to have someone shadow him for 2007 dances, and
		the new person will book the 2008 dances
		There was discussion of the recent dances. Advanced: there
		was dissatisfaction with Tim Crawford's calling of the
		Advanced Dance. C-2: People enjoyed the dance but thought
		that at the outset Mike Kellogg was calling too hard for the
		floor. Club members were reminded that the dance coordinator
		should give feedback to the caller if there is a need to adjust
		calling difficulty. 9 September (Cancelled): Gary Young reported that there

		has been difficulty finding a hall for this dance. After
		thoughtful discussion (including concern about having a dance
		the same night as another club) the club decided to cancel the
		dance, and requested Gary Dougan to inform Anne Uebalacker
		that there would not be a dance.
		12 November : this dance is with Todd Fellegy at the Jon Sims
		Center. Richard Rockwell agreed to be the coordinator.
		January 2007 . Gary Dougan is working with Kris Jensen to
		determine which Sunday in January (the Club agreed to be
		flexible around Kris's availability and the activities of
		MacWorld and PACE). The dance will most likely be at Jon
		Sims Center. Judith Stevenson and Lily Hickman volunteered
		to be coordinators.
	2007	The club discussed callers they would like for 2007 Dances.
		Names include: Betsy Gotta, Sandra Bryant (but an alternative
		venue would be needed to accommodate the crowd), Mike
		Jacobs, Vic Ceder, Rob French, CJ Smith, Jon Sybalsky, Andy
		Shore.
		Jeff recommends coordinating with other Bay Area clubs to
		share expenses.
		Share expenses.
		Harlan will follow up with Sandra Bryant to determine her
	Clark Danaina	availability in August 2006.
9	Club Dancing	There was discussion about the emerging issue of sponsoring
		Advanced-only dancing jointly with Foggy City. It was
		resolved by the Club to express to Foggy City that Midnight
		Squares would be coordinating Advanced level dances. Jeff
		Hamilton agreed to send a letter to Foggy City to lay out the
		concerns of the club. We will continue to support 5 th
		Wednesday of the month Advanced-only dancing at Eureka
		Valley Recreation Center, but that until there is a consolidation
		of Mainstream/Plus clubs in San Francisco, Midnight Squares
		will be coordinating Advanced level dancing.
		Desagnations There was limited discussion about towing to
		Reservations. There was limited discussion about trying to
		develop a reservation/notification system for club dancing, but
