**Communication:**

Site is up to date.

Invites and not being responded to in a timely manner—should we send two—one a week early and then a follow up?

### **Club Night:**

We will coordinate with Western Star for club nights on Wednesdays at Harvey Milk after the C3a class is over.

There was discussion about moving club night to Tuesdays at Army Street until we move to Harvey Milk. John could open on some Tuesdays and we would need someone else to help on some days. It was decided to move to Tuesdays starting in January and then to Wednesdays when Wednesdays become available.

### **Fall classes:**

15 students are in the C3a class and it is going on well.  
21 for C2 and going well
