

Midnight Squares
Membership Meeting Minutes
March 28, 2010

Allan called the meeting to order at 3:33 and an attendance sheet was circulated

Minutes:

Minutes from the February 7 meeting are posted on the website. There were no questions, additions or corrections to the minutes.

Treasurers Report:

Sam distributed the treasurer's report. There has been some activity, but we continue to have a healthy balance. It is not club policy to include the Treasurer report in the minutes. Members are provided copies of the Treasurer's Report from the club leadership by request.

The Caller Fee committee gave a tentative report. Steve has projected the impact of several levels of increasing the fee but the committee was not ready to provide a final report or recommendation at this time.

Membership:

Allan brought up the discussion of the club establishing PayPal as a form of payment to make various transactions such as membership renewal, etc. easier. After discussion, it was moved by Pat that we try using PayPal for a year for membership, include a donation field that people may use and have Allan set it up. The motion passed.

Badges/Tees:

No new news.

Dances:

Membership Appreciation Dance: seven squares and the space work well.
Graduation Dance with Barry Clasper May 1st--George will coordinate
John Marshall June 20th still looking for a coordinator
Ross Howell In October 2010 (PACE weekend)

Communication:

Club Night:

Coordinate with Western Star for club nights on Wednesdays at Harvey Milk after the C3a class is over. We went thru and calendared both Wednesdays at Harvey Milk and Sundays at Studio 204 –the calendar will be placed on the website. Ken will be asked to book callers.

Fall classes:

15 students are in the C3a class and it is going on well.
21 for C2 and going well.
Advanced continues to have a fair turn out with angels.
