

Midnight Squares
Membership Meeting Minutes
May 9, 2010

Allan called the meeting to order at 3:29 and an attendance sheet was circulated

Minutes:

Minutes from the March 28, 2010 meeting are posted on the website. There were no questions, additions or corrections to the minutes.

Treasurers Report:

Sam distributed the treasurer's report. There has been some activity, but we continue to have a healthy balance. It is not club policy to include the treasurer's report in the minutes. Members are provided copies of the treasurer's report from the club leadership by request.

Caller Payment Committee:

The Caller Fee committee gave its report. A summary of the survey of what local clubs are paying was distributed and reviewed. It was recommended that for club dancing that the pay be \$60.00 per session and \$65.00 for class. There was discussion on how to deal with cancelled nights. Harlan suggested a partial fee of \$25 if the night is cancelled. Discussion was given to paying a base fee or half the door which ever was higher.

Motion: That we pay club night callers \$50, class instructors \$60, and club nights that are cancelled are a fee of \$25. The motion passed.

Bonus for this year's class callers: Ken moved, as amended by Ed, that we increase the amount paid for the classes by \$100 per class. The motion passed

Membership:

A few more membership renewals have come in. Ken will update the roster data and provide it to whomever will create the hard copy roster. The question was raised about not doing a hard copy. It was suggested that we allow people to opt out of paper.

Badges/Tees:

No new news. People can order midnight wear via the website. An email will be sent to all members regarding this.

Graduation Dance with Barry Clasper on May 1, 2010 was successful and went smoothly. Harlan suggested we provide fans next time.
