

Midnight Squares Membership Meeting

January 27, 2013

Minutes:

Read and approved, Ed will post them.

Treasurers report:

Read it and let Rusty know if you have questions
Lost \$340 on the dance in November

Club nights—Fiscal Concerns:

We have lost \$900 this year. Wednesday club nights are variable this year—the main challenge is getting callers.

Harlan suggested that we have an annual fund raiser for this cost, and will look into it
This included a possible beer bust at the Eagle.

Tom suggested a survey of the membership on this. Tom and Rusty will undertake Harlan added having a survey of callers.

Moved that we retain the space and night for now, do a survey and Harlan look into a fund raiser, and we come back and revisit this in in May 2013.

Rusty and Tom said they would work on a survey
Roger Bob Jim and Bob, and Bob. Will work on fund raiser.

The motion was passed

After Class Dancing—Fiscal Concerns:

We are losing money--\$45 on weeks we don't dance. Harlan is willing not to be paid if there isn't square. This reduces the cost. By acclamation this will continue.
